

Design Challenge Prompts

I need to get my groceries up the stairs to my apartment.

I need to keep a baby warm in a place with no electricity.

I need a way to stay dry when I walk home in the rain.

I need a way to collect and carry water.

I need a way to make daily exercise more fun.

I need a way to make my bus ride more comfortable.

I need a way to help senior citizens in your community.

I need a pet-friendly park.

I need something that reduces the use of plastic bags.
